

REQUEST FOR PROPOSALS: DC FAST CHARGERS

Detroit/Wayne County Port Authority

130 E. Atwater Street

Detroit, MI 48226

313-259-5091

PORTDETROIT

Detroit/Wayne County Port Authority

The Detroit/Wayne County Port Authority (the “Port Authority”) is a public corporation formed under Public Act 639 of 1978 and incorporated by the City of Detroit and Wayne County in 1978. The Port Authority is governed by a five-member Board of Directors that includes two appointees by the Mayor of the City of Detroit, two appointees by the Wayne County Commission, and one by the Governor of the State of Michigan. Find more information about the Port Authority at www.portdetroit.com.

The Port Authority has been awarded a grant by the Environmental Protection Agency under its Clean Ports Program. The grant implementation period is from January 1, 2025, through December 31, 2028. The Port Authority, through this Request for Proposal (“RFP”), is seeking to procure approximately twenty (20) Direct Current Fast Chargers (DCFCs).

Equipment Specifications

The Port of Detroit invites proposals from qualified manufacturers and vendors to build, deliver, and commission up to twenty (20) DC Fast Chargers (DCFCs) that will support material handling and operational logistics across multiple port terminals. The Port anticipates installation and operation at up to four partner terminals:

- 1301 Springwells Ct., Detroit, MI 48209
- 4 Grosse Ile Pkwy, Trenton, MI
- Belle Isle, Detroit, MI
- 5431 W. Jefferson, Detroit, MI

Final allocation of units per site will be confirmed during contract award and design coordination.

DCFCs must be capable of charging a range of equipment, including patrol boats, gators, skid steers, personal transport vehicles, telehandlers, and similar marine/industrial equipment.

This RFP emphasizes minimum performance standards with flexibility for alternative solutions that meet or exceed operational needs. Vendors are encouraged to propose modular, scalable, and future-proof designs, and to clearly identify any deviations or enhancements relative to minimum requirements. The selected vendor shall provide:

1. Build, delivery, and commissioning support of up to twenty (20) ready-to-operate DCFCs.
2. Interoperable charging solution supporting diverse port and marine use cases.
3. Training, documentation, and warranty services.
4. Cloud software and remote monitoring capabilities enabling Port-managed configuration.

BASE FEATURES

A. General Requirements

- New, unused (not refurbished or remanufactured)
- Permanent, fixed-install chargers (wall, pedestal/floor, or overhead gantry/hanging), suitable for port environments.

- Direct Current (DC) fast chargers for use with industrial heavy-duty electric vehicles, forklifts, boat motors, etc.
- Must support batteries from 150 volts (V) to 800 V on port equipment
- Efficiency of > 90% system efficiency
- Continuous power delivery rating of at least 150 kW, simultaneously, from each port
- Work with lithium-ion and lead-acid batteries
- Self-contained AC to DC power conversion system
- Cooling/Thermal Management System
- Power module redundancy and duty cycle management (configurable).
- Open Charge Point Control
 - Uses OCPP 1.6 or 2.0.1.
- Include all standard manufacturer accessories
- Each DCFC must have dual plug-ins
 - Connectors (per unit): Dual outputs with CCS-1 (North America) and NACS as baseline; CCS-2 support via adapter or swappable cable heads where feasible.
- Each DCFC must be capable of charging any CCS-compliant vehicle
- Must include a battery management system (BMS) including battery voltage, temperature, state of charge (SoC), and charging limits data
- ADA compliant equipment layout and user interface.

B. Performance & Operation

- Operating environment: –31°F to 122°F (–35°C to 50°C), up to 100% humidity, and suitable for wet river-side conditions; corrosion-resistant enclosures.
- Remote monitoring & diagnostics: Instrumentation for intelligent diagnostics, energy management, fault reporting, and usage analytics.
- Power safety: Configurable auto-stop when idle; over-current protection to prevent excessive draw.
- Cable management compliant with NEC Article 625; cables shall not touch ground during normal use and shall be long enough to reach equipment ports. Acceptable systems include:
 - Coil rack
 - Cable wrap
 - Retractable cord reel
 - Cable hanger / lift-assist systems
- Mounting type to be specified by vendor (wall, floor/pedestal, overhead gantry/hanging, or hybrid), optimized for site conditions and traffic patterns. It is noted that floor/pedestal mounting is most likely at this time.

C. Electrical & Control Systems

- User friendly display should be LCD, LED or equivalent, and be readable in direct sunlight and at night

- Can be networked via Wi-Fi and secured from public access
- Current and easily updateable software as of the time of installation

E. Site & Utility Coordination

- Provide on-site validation of electrical capacity, transformers, panels, breakers, wiring, cellular coverage so that the station meets all charger manufacturer and local code requirements
- In consultation with the port, vendor will coordinate with the local electric utility to confirm operability, and manage service upgrades, applications, and fees as necessary

I. Safety & Compliance

- Meet UL or similar OSHA-compliant certifications
- Built-in safety features
 - Overvoltage and undervoltage protection
 - Short-circuit protection
 - Over-temperature protection
 - Ground fault detection
 - Emergency stop mechanisms
 - Surge protection
- Comply with all NEC and Federal Communications Commission regulations for safety and operation requirements
- Include physical and cybersecurity features to ensure charging stations are protected from vandalism and/or attacks
- Extreme weather (temperature extremes, flooding, ice, heavy snow, and high winds) and condensation resistant
- Include barriers or other configurations to prevent damage from equipment used for snow removal
- Be factory calibrated (as applicable) prior to, or during installation, in accordance with OEM standards

J. Warranty & Support

- Be responsible for ensuring the maintenance of the DCFCs including cables, ancillary equipment, and any awnings, canopies, shelters, and information display kiosks for signage associated with the DCFC.
 - “Maintain” as used in this RFP shall mean “to provide all needed repairs or desired and approved alteration, as well as regular maintenance needed to ensure optimal performance and minimize downtime.” Equipment shall be kept safe and presentable.
- Cloud service subscription enabling Port customizations (charging profiles, access controls, reporting).
- Preference for automatic software upgrades (OTA) and configurable change management.
- Preferred warranty: ≥5 years parts and labor, remote technical support, on-site repairs as

needed, and unlimited configuration changes (or clearly defined SLA with equal/greater value).

- Recommended service targets: ≥98% uptime, 4-hour remote response, next-business-day on-site response for critical issues (vendors may propose alternatives with performance guarantees).

K. Installation, Commissioning & Acceptance

- Site readiness & civil works: Identify foundations, conduit runs, bollards/barriers, canopies/shelters, and signage required.
- Training: Provide operator and maintenance training, manuals, and as-built documentation.
- Commissioning & SAT: Perform startup, functional tests, load tests, calibration, and acceptance testing with the Port's equipment.
- Handover: Deliver final documentation, warranties, and access credentials.

SUPPLEMENTAL GENERAL CONDITIONS

DEFINITIONS The word "Buyer" means the Port Authority identified as the "Bill To" entity on the face of this purchase order. The word "goods" as used herein shall mean, without limitation, the products, articles, services, materials and/or equipment described on the face hereof. The term "Customer" refers to the Customer of the Buyer, who may be the end user of the goods. All references to Buyer in this Agreement will be deemed to be references only to the Port Authority identified as "Buyer" herein. Seller acknowledges that Buyer will be solely responsible for its own obligations and performance under any purchase order or other agreement entered into under these terms and Seller will look solely to Buyer with respect to rights and remedies under this Agreement.

ACCEPTANCE The first to occur of Seller's acceptance of this Order or shipment of goods pursuant to this Order shall constitute Seller's agreement to the terms and conditions set forth on the face and the back of this Purchase Order. No other terms, whether or not contained in any bid, estimate, acknowledgement, agreement confirmation or invoice given by Seller, shall in any way modify or supersede any of the terms of this Order or otherwise be binding on Buyer, and Buyer hereby explicitly rejects all such other terms unless it has accepted such other terms by a written instrument signed by its authorized representative.

QUALITY Seller warrants that all goods will conform to specifications furnished by Seller and approved by Buyer or furnished by Buyer. Seller acknowledges the receipt of a copy of all such specifications furnished by Buyer. Seller warrants that all goods have been tested for their safety, will be of merchantable quality and of good material and workmanship, free from defect and suitable for their intended use. If applicable, Seller will assign to Buyer all warranties applicable to any portion of the goods obtained by Seller from third parties, or if not assignable, will assert such warranties on behalf of Buyer at Buyer's request. Seller warrants that the goods shall comply with all applicable federal, state, and local laws, statutes, rules and regulations. In the event that Seller becomes aware or has reason to believe that a condition exists, within the manufacturing facility or

goods themselves, which does or may adversely impact any of the above warranties, Seller shall promptly notify Buyer of same. All deliveries of goods to countries outside the United States shall conform to and comply in every respect to the provisions of the laws and regulations of the countries into which the goods are delivered and countries where the goods will be used (provided Buyer has advised Seller which countries are involved), to the extent such laws and regulations are applicable to such goods.

REJECTION Payment for goods delivered hereunder shall not constitute acceptance thereof. Buyer reserves the right to inspect and test such goods and to reject, and return to Seller at Seller's expense, goods (a) delivered in excess of the quantity ordered, (b) which do not conform to specifications or are defective, or (c) which in any way violate applicable law. Buyer's failure to inspect goods prior to use shall not constitute acceptance of such goods, regardless of the passage of a reasonable period of time. Buyer, at its option may require replacement of defective or rejected goods or a refund of the purchase price as well as payment of damages. Nothing contained in the Order shall relieve the Seller in any way from the obligation of testing, inspection, and quality control.

PRICES Seller warrants that prices shown on this Order shall be complete, and no additional charges of any type (e.g., shipping, packaging, labeling, custom duties, taxes, etc.) shall be added or borne by Buyer without its expressed written consent. Any cash discount periods will be calculated from receipt of invoice or receipt of acceptable goods, whichever occurs later. On invoices returned for correction, the cash discount period will be calculated from receipt of the corrected invoice.

SHIPPING Unless indicated to the contrary on the face of this Order, all shipments shall be made F.O.B. destination, freight prepaid. Seller shall deliver all goods to a carrier for shipment by carrier to Buyer and shall own, and shall bear the risk of loss for, such goods until the goods are received by Buyer. Claims for loss and/or damage to goods shall be filed by Seller. Seller shall be responsible for paying all carrier's freight charges. Delivery shall not be deemed complete until the goods have been actually received by Buyer. All deliveries must be on weekdays during normal business hours to the addresses indicated on the face hereof, unless otherwise agreed to by Buyer.

DELIVERY Time is of the essence of this Order, and if delivery of goods is not completed by the time promised, Buyer reserves the right, without liability and in addition to other rights and remedies, to: (i) Terminate this Order by notice effective when received by Seller as to goods not yet shipped; (ii) Purchase substitute items; and/or, (iii) Charge Seller with any loss incurred.

TERMINATION Buyer may terminate this Order or any part thereof without cause. Upon receipt of notice of such termination, Seller shall immediately stop all goods in process, and shall immediately cause any of its suppliers or subcontractors to cease such goods in process. Seller shall not be paid for any goods processed after receipt of the notice of termination, nor for any costs incurred by Seller's suppliers or subcontractors which Seller could reasonably have avoided. Seller shall not unreasonably anticipate the requirements of this Order. Buyer may also terminate this Order or any part thereof for cause in the event of any default by the Seller, or if Seller fails to comply with any of the terms and conditions of this Order. Late deliveries, deliveries of products which are

defective or which do not conform to this Order, and failure to provide Buyer with adequate assurances of future performance shall all be causes allowing Buyer to terminate this Order for cause. In the event of Buyer's termination for cause, Buyer shall not be liable to Seller for any damage sustained by reason of the termination, and Buyer shall have all rights and remedies provided at law and in equity.

GRANT REVOCATION Seller acknowledges that Buyer is a grantee under the EPA Clean Ports program (the "Grant") and that the purchase hereunder, and that continuation of this agreement is contingent upon the availability of Grant funds. In the event that funding under the Grant is revoked, withdrawn, or otherwise rendered unavailable for any reason, the purchaser may terminate this contract immediately and shall not be liable for any further payment or obligation, claims for damages, compensation, or reimbursement.

CHANGES Buyer shall have the right at any time to make changes in drawings, designs, specifications, materials, packaging, time and place of delivery and method of transportation. If any changes cause an increase or decrease in the cost or the time required for performance of this Order, an equitable adjustment shall be made and this Order shall be modified in writing accordingly.

CONFIDENTIALITY Seller shall consider all information furnished by Buyer, including the existence of this Order, to be confidential and shall not disclose any such information to any other person, or use such information itself for any purpose other than performing this Order, unless Seller obtains written permission from Buyer. Upon the termination of this Agreement, or upon Buyer's request, Seller agrees promptly to return to Buyer all documentation or other tangible materials containing and/or embodying any of the Information (including, without limitation, all copies, reproductions, summaries and notes of the contents thereof), and to certify that all such Information has been returned to Buyer or disposed of in a manner approved by Buyer.

FORCE MAJEURE Each party will be excused from performance under this Agreement while and to the extent that it is unable to perform, for a cause beyond its reasonable control. Force majeure will not include labor shortages or work stoppages. If either party is rendered unable wholly or in part by force majeure to carry out its obligations under this Agreement, then the party affected by force majeure will give written notice with explanation to the other party immediately. The affected obligations of the party giving notice will be suspended only during the continuance of the events giving rise to the force majeure provided that the affected party is acting with due diligence to remedy the delay caused by the force majeure. If Seller is unable to perform for a period of more than fifteen (15) business days due to any force majeure event, Buyer may terminate this Agreement.

INFRINGEMENT Seller warrants that the goods and/or their use, sale and/or consumption, pursuant to this Order do not and will not infringe any patent, trademark, copyright, or other intellectual property right and there is no unauthorized use of proprietary rights of another party. Seller agrees, upon receipt of notification, to promptly assume all responsibility for defense of any suit or proceeding which may be brought against Buyer or its agents, customers or vendors for alleged

intellectual property infringement and/or alleged unfair competition resulting from similarity in design, trademark or appearance of goods furnished hereunder, and Seller further agrees to indemnify Buyer, its agents, vendors and customers against any and all expenses, losses, royalties, profits and damages, including court and/or settlement costs and attorneys' fees resulting from any such suit or proceeding.

INDEMNIFICATION/INSURANCE Seller shall defend, indemnify and hold Buyer harmless against all damages, claims, liabilities and/or expenses (including attorneys' fees) arising out of or resulting in any way from any defect in the goods purchased hereunder, from any wrongful act or omission of Seller, its employees, agents or subcontractors, or from Seller's breach of any warranty as provided herein or otherwise provided by law. Seller shall maintain comprehensive liability insurance, including products liability coverage, contractual liability and broad form vendor's endorsements covering Seller's obligations under this Order, such insurance to have aggregate limits of at least five million dollars (\$5,000,000), and to be with an insurance carrier reasonably satisfactory to Buyer. Seller shall furnish certificates of insurance evidencing such coverage to Buyer at Buyer's request.

INSPECTION RIGHTS Upon reasonable notice to Seller, Buyer or Buyer's independent service may inspect Seller's plants where goods are manufactured. In accordance with Buyer's Inspection Rights, as it pertains to the goods or services ordered herein, Buyer or Buyer's client's review or inspection of the goods or services ordered under this Purchase Order, either by physical examination or review of drawing or technical documents, do not constitute acceptance nor shall such review or acceptance affect or release any of Seller's obligations with respect to the ordered goods or services.

DISPUTE RESOLUTION Any dispute between the parties relating to this Agreement or the breach thereof shall be resolved by binding arbitration in Detroit, Michigan, pursuant to the Commercial Arbitration Rules then obtaining of the American Arbitration Association. The arbitrator(s) shall have no power to add to or modify the terms of this Agreement. Judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The arbitrator(s) shall apply the substantive law of Michigan except that the interpretation and enforcement of this arbitration provision shall be governed by the Federal Arbitration Act. The arbitrator(s) shall not award either party punitive damages, and the parties shall be deemed to have waived any right to such damages. The proceedings shall be confidential and the arbitrator shall issue appropriate protective orders to safeguard both parties' confidential information. The fees of the arbitrator and the American Arbitration Association shall be split equally between the parties.

ASSIGNMENT No part of this Order may be assigned or contracted by Seller without the prior written approval of Buyer. With the consent of Seller, which shall not be unreasonably withheld, Buyer may, at its option, either terminate or assign a portion or all of this Order in the event of a sale, transfer, or other disposition of any operating unit or business of Buyer participating in this Order, provided that such termination or assignment shall relate only to the requirements of such operating unit or business. In the event of assignment, Seller agrees that Buyer shall have no further obligations with respect to the assigned portion of the Order after the date of such

assignment.

WARRANTY ASSIGNMENT It is understood that Buyer is purchasing goods for the purpose of resale to Buyer's Customer. Accordingly, all warranties provided by the Seller or other third parties under this agreement shall be transferable to Buyer's Customer. If requested by Buyer, Seller will assist in transferring warranty/warranties to Buyer's Customer.

SETOFFS All claims for money due or to become due from Buyer shall be subject to deduction or setoff by the Buyer by reason of any counterclaim arising out of this or any other transaction with Seller.

WAIVER Buyer's failure to insist on performance of any terms or conditions herein or to exercise any right or privilege or Buyer's waiver of any breach hereunder shall not thereafter waive any other terms, conditions or privileges, whether of the same or similar type.

GOVERNMENTAL REGULATIONS Seller's obligations hereunder shall be subject to and comply with all applicable governmental laws, rules, regulations, and executive orders, including but not limited to Equal Opportunity/Affirmative Action clauses contained in Executive Order 11246 (60-1.4(a)), as amended, 41 CFR 60-300.5(a) (Veterans) and 41 CFR 60-741.5 (Rehabilitation Act), which requires a written Affirmative Action Plan, annual EEO-1 and Vets-100 reports, and adherence to all relevant rules, regulations and orders of the Secretary of Labor.

INDEPENDENT CONTRACTOR While delivering goods hereunder, Seller shall, at all times and for all purposes, be an independent contractor, and nothing contained herein shall be construed to create the relationship of principal and agent, or employer and employee, between Buyer and Seller or its personnel. The personnel of Seller shall not be deemed employees of Buyer for any purposes, but rather, shall be solely the employees of Seller, and Seller shall have sole responsibility to counsel, discipline, review, evaluate, set pay rates of, and terminate such Seller personnel. Seller assumes full responsibility for all contributions, taxes, state and local laws (including obligations under the Patient Protection and Affordable Care Act), and for purposes of withholding from wages of Seller personnel, where required. Seller shall have discretion on whether to obtain health, disability, life, or other personal insurance for Seller and Seller's employees. Buyer shall not provide such insurance to Seller or any person employed by Seller. In addition, neither Seller nor any employee of Seller shall be eligible for any pension, savings, investment or retirement plan offered by Buyer to its employees. Seller acknowledges that, for all purposes, including for purposes of the individual mandate and/or the employer shared responsibility ("play or pay") provisions of the Patient Protection and Affordable Care Act ("ACA"), it is self-employed and the exclusive employer of any person employed by the Seller, and that Buyer is not, in any way, the common-law employer or "co-employer" of Seller nor any employee of Seller. Seller also acknowledges and agrees that it is solely responsible to provide "minimum essential coverage" to self and any employee of Seller (as required by the ACA), or to pay any taxes/penalties that might arise under the ACA pertaining to self or any employees of Seller. If any agency of the federal or state government assesses any tax/penalty against Buyer under the ACA pertaining to Seller or employee of Seller, then Seller will indemnify and reimburse Buyer for any and all taxes/penalties assessed against Buyer pertaining to

Seller or employee of Seller. Seller will also reimburse Buyer for any reasonable attorneys' fees incurred by Buyer in connection with the assessment of such tax/penalty.

GOVERNING LAW This Order shall be governed and constructed by the substantive federal and state law of the state of Michigan as it applies to contracts made and to be performed wholly within such state.

ENTIRE AGREEMENT This Order, and any documents referred to on the face hereof, constitutes the entire agreement of the parties.

TOTAL COST is not to exceed the price listed on this purchase order without prior written authorization as evidenced by issuance of a written change order by Buyer.

INVOICES Any invoices submitted 45 days after goods are received or services rendered will not be eligible to be paid and any exceptions must be approved by the Buyer prior to invoice submission.

RFP PROCESS AND REQUIREMENTS

1. **Open RFP.** This RFP is open to any qualified individual or firm with experience in supplying, configuring, and integrating specialized marine equipment and components relevant to achieving the specifications listed in the Equipment Specifications.
2. **Competitive Procurement Process.** The Grant agreement and corresponding federal regulations require that all procurement for materials and services be in compliance with federal procurement standards set forth in 2 CFR Sections 200.317 thru 200.327, which, among other things, require competitive processes, prohibition of conflicts of interest, non-discrimination, equal opportunity, and the inclusion of certain provisions in the award of contracts, as provided in Appendix II to 2 CFR part 200. The Port Authority incorporates by reference all the requirements in 2 CFR Sections 200.317 through 200.327 and Appendix II to 2 CFE Part 200.
3. **Questions and Answers.**
4. Questions regarding this RFP may be submitted to rfp@portdetroit.com no later than 5 p.m. ET January 22, 2026. Answers along with questions (but not the identity of the questioner) will be emailed to registered firms and posted on the Port Authority website by 5 p.m. ET January 28, 2026.
5. **Submission.** Proposals in response to the RFP are due no later than 5 p.m. February 18, 2026. Please submit only ELECTRONIC responses to the following email address: rfp@portdetroit.com.
6. **Submission.** Each submission should include the following sections:
 - **Firm History:** Provide the name, address, telephone number, and primary contact person for your firm. Include a brief history of your organization, specifying the type of business

entity and listing Corporate Officers or Owners.

- **Approach to Project - Equipment Manufacturing Strategy:** Provide an overview of your approach to delivering the specified equipment, including:
 - **Logistics:** Describe transportation planning, packaging, and coordination for delivery scheduling.
 - **Lead Time:** Provide estimated delivery schedule and strategies for mitigating delays.
 - **Quality Assurance:** Confirm compliance with technical specifications and industry standards.
 - **Billing:** Outline proposed invoicing structure and required documentation (e.g., delivery receipts).
- **Safety:** Provide an overview of your firm's safety policies related to equipment handling, transportation, and installation (if applicable). Include your current Experience Modification Rate (EMR), if relevant.
- **Cost of Equipment:** Provide a Lump Sum Fixed Fee (Stipulated Sum) for the proposed solution, inclusive of all procurement, delivery, and applicable coordination costs. The Lump Sum should reflect the total cost for the quantity proposed, which may range from one (1) unit up to twenty (20) units. Unit prices should include both outdoor, marine DCFC units as well as indoor industrial DCFC. Vendors should also include unit pricing and any applicable volume discounts to allow the Port to scale the purchase as needed. It is assumed that final pricing will be negotiable prior to contract award.
- **BABA Compliance:** Written confirmation of Buy American, Build American compliance. If not, Buy American, Build American compliant, a waiver would need to be procured prior to contract execution. Preference is given to Buy American, Build American compliant equipment.
- **Prevailing Wage Requirements:** It is assumed that prevailing wage laws, including the Davis-Bacon Act, do not apply because this RFP seeks only the procurement, delivery, and commissioning of equipment. However, if specialty assembly or installation is required, this procurement may be subject to federal prevailing wage laws, including the Davis-Bacon Act. If applicable, the selected vendor must ensure that all laborers and mechanics engaged in delivery, installation, setup, or related services are paid wages not less than those established by the U.S. Department of Labor or relevant state authority. Vendors must submit certified payrolls upon request and comply with all reporting and recordkeeping requirements.
- **Project Schedule:** Submit a schedule for equipment procurement, delivery, and any required coordination. Include your method for schedule control (e.g., bar chart or Gantt chart).
- **Warranties:** Provide industry-standard warranties for all equipment and associated services and in alignment with the specified base features. Clearly specify warranty durations and coverage terms. Warranties must be able to be flowed down to a third-

party operator within the Port of Detroit.

- **Negotiations:** The Owner does not anticipate prolonged negotiations with the selected vendor. All bidders must submit their best and final offer at the time of bid submission.

7. Schedule*

- **RFP Issued:** 1/16/2026
 - **Questions Due:** 1/22/2026
 - **Q&A Posted:** 1/28/2026
 - **Proposal Due:** 2/18/2026
 - **Preliminary Selection:** 2/25/2026
 - **Contract Negotiation:** 2/26/2026-3/5/2026
 - **Award:** 3/10/2026

* Preliminary selection, contract negotiation, and award schedule dates are tentative and may be accelerated based on the volume and responsiveness of proposals received.

8. Additional Information

The Port Authority reserves the right to request additional information or clarification from firms, conduct interviews, and negotiate terms prior to making a final selection. This RFP does not constitute a commitment by the Port Authority to award a contract.

9. Disclaimers

The Port Authority reserves the right to reject any or all responses to this RFP and to waive any informalities or irregularities in the submission process. All materials submitted in response to this RFP become the property of the Port Authority and may be subject to public disclosure. The Port Authority assumes no liability to any person or entity for the costs incurred in responding to this RFP.

10. No Contact During RFP Period

Potential responders to this RFP are cautioned not to communicate with Board Members or employees of the Port Authority during the pendency of this RFP until an award is made. Violations of this requirement could result in disqualification of the firm or individual involved. The Port Authority appreciates your interest in providing services and your efforts in submitting a proposal.
